Mrs. Katharine Graham
Chairman of the Board

1150 Fifteenth Street, N.W.

Dear Kay,

Guyon Knight has sent me the talk as given and it makes as good reading as it was interesting to hear you deliver it.

I gave you a brief oral report Sunday night, but I want to underscore again how deeply we appreciate the time and thought that went into your visit and participation in our Distinguished Lecturer Series. You could tell from the spirited questions from the audience how closely your remarks had been followed and I hope you could tell how well they were received. Last night a woman from our Medical Services Division came up to me to tell me how much she had enjoyed your lecture and how very impressed she had been by the way you had handled the questions.

Many thanks for the time and effort which you gave us. Your talk was good for us to hear and I am going to circulate the text in the right places so that the message continues to be heard. All my best,

Sincerely,

William H. Webster

Mrs. Katharine Graham
Chairman of the Board
The Washington Post Company
1150 15th Street, NW
Washington, D. C. 20071

Dear Kay,

Several times a year, we invite distinguished guest speakers to address some 300 to 500 employees of the Central Intelligence Agency. Our objective is to improve our employees' understanding of national and international issues as well as to provide them an intellectual stimulus. Guests in the past several years have included George Will, Mark Russell, Dr. James Buchanan, Ambassador Vernon Walters and Roger B. Smith. The program normally consists of a lecture of approximately 30 to 45 minutes, followed by a 20 to 30 minute question period. Lectures are normally scheduled from 2:00 to 3:15 p.m. There is a modest honorarium.

I should like to extend an invitation to you to participate in this program and would be pleased if you could honor us with your presence on a mutually convenient date during 1988. If you are able to accept, [redacted] our Conference Coordinator, will be pleased to discuss all aspects of the arrangements with your staff. She can be reached on [redacted]

Sincerely,

Bill

William H. Webster
Director of Central Intelligence

I think would enjoy this - especially the Q&A. Our people would benefit from your perspectives. Hope you can do it.
